

REMARKS

The application was previously allowed. The attached Request for Continued Examination is being filed for examination of the claims as amended above, as well as consideration of the cited reference in the attached Information Disclosure Statement. No new matter has been added.

The present application is deemed to be in proper condition for allowance and favorable action is requested.

Respectively submitted,

Dated: September 26, 2006

A handwritten signature in black ink, appearing to read "David J. Grover", is written over a horizontal line.
